"The Hurricane," Breath-Taking Film Now Playing At Daly City Theatre

CLINGING TOGETHER in terror at the height of the terrific storm that gives Samuel Goldwyn's "The Hurricane" its name are Dorothy Lamour and Jon Hall, the native lovers of the South Sea Island romantic drama which is now playing at the Daly City theatre.

Tiny But Tasty

—By Frances Lee Barton—

IT is not necessary to go to a lot of trouble in order to place a pleasing dainty before your friends.

Some of the most delightful tasties imaginable consist of only three or four ingredients. For instance, here is a coconut mound that calls for only a few, all available from the emergency shelf. Furthermore, cost and time are also minimized.

Coconut Apricot Mounds

1½ cups dried apricots; 1 cup moist, sweetened coconut; 1 cup sweetened condensed milk.

Wash apricots and dry thoroughly; put through food chopper. Mix with coconut. Add milk and mix until blended. Drop from teaspoon into confectioners' sugar; roll and shape into balls. Let stand until firm. Makes about 2½ dozen.

Dangerous Firewood

Mrs. L. Marais of Cyferfull, Western Transvaal, picked up a piece of firewood while lighting her kitchen fire and found to her horror that she had seized a deadly night adder. With great presence of mind, the housewife struck it against the floor and battered it to death.

Seeming Railway Business

Passenger traffic on the Eastern Bengal railway in India has shown a substantial increase since reported healing powers of the four-year-old son of a Saidpur station agent have become known. The boy is said to be able to cure sufferers by breathing on them.

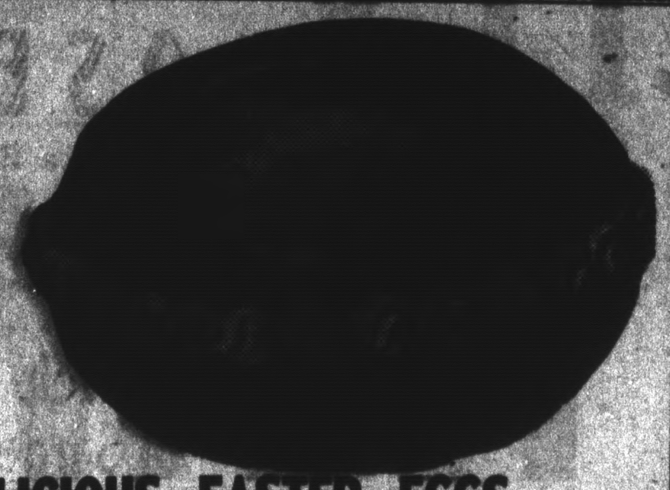

Ticket Tillbury

If you can get a traffic ticket "fixed" in your town the chances are that more serious offenses are also being condoned, according to the National Consumers tax commission, whose tax reduction drive [illegible] economy and efficiency.

Chinese Secret Societies

Police raids on two big meetings in a Canton, China, cemetery resulted in the arrest of nearly 100 Chinese who were suspected of being members of illegal secret societies. The societies hold their meetings at the graves of one of their slain members.

Diversified Ownership

One of the largest American oil producing companies supplies 21,000 retail outlets, yet it owns and operates but six of these filling stations, Axtell J. Byles, president of the American Petroleum institute, reports.

Not So Barren After All

Although commonly regarded as one of the world's most barren areas, New York city has 2,250,000 trees within its limits, according to the department of parks.

Profits in Modernization

More than 1,000 grocery store owners, members of the Independent Grocers alliance, recently studied a survey on increased profits resulting from store modernization with structural glass. It was revealed that average profits increased 30 per cent the first year after modernization and that the average gross receipts rose from $21,050 to $28,626.

First Use of Petroleum

Petroleum was first used to lubricate cylinder walls of steam engines about 1869.

Lightweight Trailers

Replacing old equipment with trailers built of strong aluminum alloys has increased the payloads of a Cincinnati baking company's trucks as much as 3,500 pounds each, it was reported.

Automobile Beetle

An "automobile" beetle with two shining white lamps in its head and a tail reflector in the rear which glows at night, has been added to the Amerikan beetles collected by Dr. Neal A. Weber, University of North Dakota biology instructor.

Last Word in Television

The new television antenna just completed atop the Chrysler building in New York is the only one of its kind in the world. Built to withstand a 150-mile gale, it consists of four hollow tapered aluminum bars, electrically heated to prevent formation of ice in the winter.

'General Store,' 1940 Style

Gasoline filling stations are general stores in the eyes of the Illinois state supreme court because most of them sell more than 40 kinds of articles.

Unlicensed Groom?

Pat Hogan of Watsonville, Calif., and Muriel Dugan of Santa Cruz, went to Reno, Nev., to be married. Pat, after getting the license, was knocked down by an auto and his leg was fractured. Undaunted, he had the leg set at a hospital, summoned a clergyman and the marriage was performed on schedule at the bedside.

Exotic Rugs to U. S.

Rug exports from Iran (the official name of Persia) to the United States average $2,000,000 a year.
